

TECH-NOTE

PUMP END SERIES

Repair Kit

Overview:

The following Tech-Note describes the content of the repair kits 250228, 250241 and 250227 for the 12-16S, 18-16S and 25-16S high pressure pump ends respectively. The kits contain all the parts that should be replaced during a pump end overhaul. Refer to the respective Owner's Manuals for installation instructions.
